Please check the package label for the gluten-free statement on the front/side/back of the package. Only products that can be verified to be gluten free will be declared as gluten free on the label.

We label our gluten-free products with 'GLUTEN FREE' below or near the ingredient listing.

As always, our product formulas and ingredients may change, therefore the ingredient label on the package is always the best and most accurate information about our products. Please check the product ingredient list each time you purchase our products.
