

Flags/Tags

Trim out and use tape to adhere the flag to a toothpick and place it in your cupcakes or cakes for decoration. Or, print these on sticker paper and use to decorate a bag.

Water bottle label

Trim out and use double sided tape or a glue stick to adhere the label to your water bottle.

Treat Cone

Trim out and score the tab along the line.

Use double sided tape or a glue stick to adhere both sides together to form a cone shape.

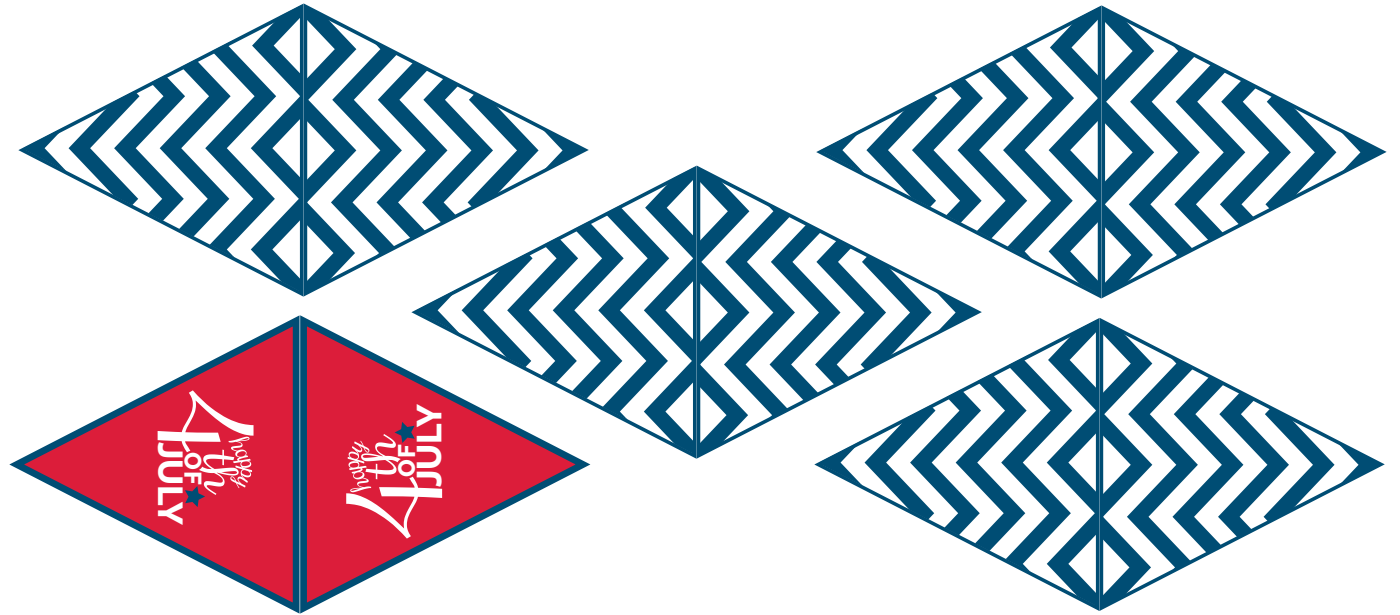

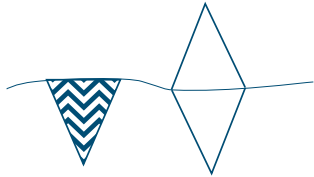

Fill with your favorite Betty Crocker cookies!

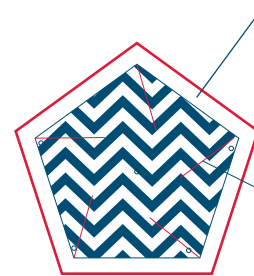

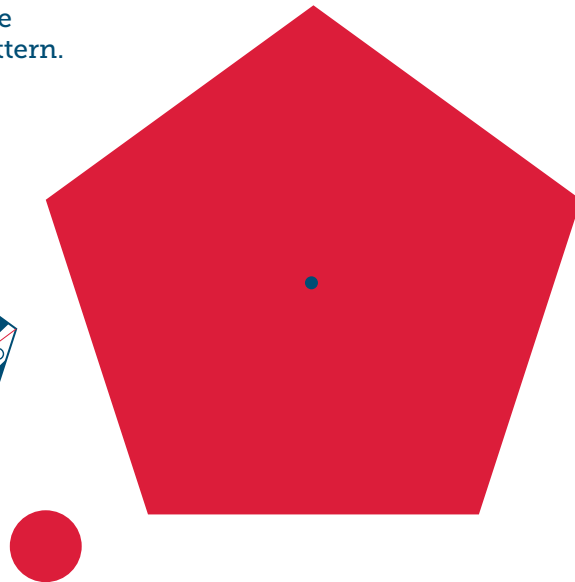

Flag Decoration

Trim out each flag and fold in half. Place folded flag over the string and glue both sides of the flag together.

Pinwheel

Step 1:
Trim out each shape. Glue the back side of each shape together so that one side is red and the other side shows the pattern. Trim off any excess paper.

Step 2:
Cut along the red lines and fold each flap towards the center dot.

Step 3:
Secure all flaps with glue at the center dot and cover with the red dot. Attach the pinwheel to a toothpick and insert into your favorite Betty Crocker treat.
